

MARLBORO TOWNSHIP POLICEMEN'S BENEVOLENT ASSOCIATION

Local 196

Dear Marlboro Township Resident or Business Owner:

The Marlboro Township Policemen's Benevolent Association (P.B.A.) #196 is a nonprofit community oriented organization that represents the patrol officers of the Marlboro Township Police Department. These are the men and women that are responsible for patrolling the streets of Marlboro Township. We are once again conducting our annual fund drive and would appreciate your support.

Our assistance and support for local and charitable causes has been possible as a result of your continued generosity. Throughout the years your contributions have benefited The Special Olympics, The Marlboro Sunshine Fund, Deborah Hospital, The American Cancer Society, Ronald McDonald House, The Marlboro Police Youth Academy, Rett Syndrome Foundation, The YMCA of Western Monmouth County, The American Red Cross, Marlboro High School Scholarship funds, The Police Unity Tour and other worthy endeavors. The P.B.A. Local #196 Good and Welfare program and general purposes funds are for the betterment of the P.B.A. and it's members, and are funded through the generous contributions from our citizens.

The P.B.A. also recommends that the residents display house numbers that are easily visible from the street. This will allow police and other emergency services to locate your home quicker in life threatening situations.

P.B.A. Local #196 is not affiliated with any other county or state law enforcement agencies. We do not solicit by phone, only by mail. We urge you to use caution before mailing donations to other so-called police organizations.

On behalf of the Marlboro Township Police Department and P.B.A. Local #196 we sincerely thank you for your contribution. Please feel free to contact us at (732) 536-0100.
