---

The Marlboro-Wujiang Youth Exchange Program has sent 22 Marlboro students and received 58 Wujiang students since Mayor Hornik signed the sister-city agreement with Wujiang, China in 2011.

This year, 6 Marlboro students chaperoned by 2 Marlboro teachers will be visiting China on June 26 and 15 students accompanied by their educators will be visiting Marlboro for a week this summer.

Thanks to the great support from Mayor Hornik, the Township Council, and the Mayor's office, this program has been successfully opening a door for Marlboro residents to foster a sense of global understanding by experiencing a new culture.

If you have questions, please contact **Huimin Shen** or **Ilana Kats** at the numbers above. For more program details, visit
