

Seasonal Safety Tips !

The Marlboro Township Police Department would like to inform you of several tips to keep you safe during the changing seasons. The police department is always monitoring current crime trends and we want to help you prevent you and/or your families from becoming victims!

♦ **Key Fob Security (keyless vehicle entry systems)**

Keep all Fobs in a secure location, **DO NOT** leave them inside or near your vehicle!

• **Scams**

Phone scams are on the rise. Please be cautious and **DO NOT** give out your personal information! Ask for ID and **DO NOT** send money orders or pre-loaded credit cards to people you do not know. Legitimate companies will accept but rarely insist on money orders.

• **Identity Theft**

Protect your identity and be cautious when sending information over the internet, by e-mail or over the phone!

• **Gym Locker Thefts**

Keep an eye out for anything suspicious while at the gym. Always use a lock! Leave expensive items out of view, especially in your vehicle.

• **SEE SOMETHING SAY SOMETHING !**

If you see something/someone suspicious, call your local police. **You are our extra eyes and ears.**
