David Martin
Department of Transportation
P.O. Box 600
Trenton, New Jersey 08625-0600

Dear Mr. Martin;

Marlboro Township has received numerous complaints concerning noise generated from the motoring public along the Route 18 corridor. The residents living in the Millponds Development have requested additional trees be installed along the east edge of Route 18 northbound, between the Texas Road overpass and the Old Bridge line

Please see the attached complaint.

This office has inspected this location and is in agreement with the complainant. Additional plantings in this area would help eliminate some of the noise generated by the Route 18 corridor.

Please survey the above location and respond in writing of your findings.

Please advise if the State currently monitors and maintains tress damaged due to storms along the Route 18 corridor in Marlboro Township.

Respectfully;

Sgt. Joseph Lenge
