

Dear Neighbor,

I am pleased to present Marlboro's Plan and Prepare brochure. Our volunteer First Aid Squads and Fire Departments are always ready to serve. The Police Department and Town Hall are here to provide assistance and information. Working with our Police Department is the Community Emergency Response Team (CERT). If you would like more information on this volunteer effort, call 732-536-0100.

We want to provide our residents with services in both good times and in times of emergencies, but we need your participation. We ask that you read this brochure and keep it in an easily accessible location. Visit our website and ensure that you are getting our messages by registering up to four phones and email addresses and follow our social media pages. If you do not have a computer you may register your phones by calling (732) 536-0100 ext. 1412. Please take the time to prepare and remind your neighbors to do the same.

Together as a community, we can weather any storm.

Mayor Jon Hornik

PLAN AND PREPARE

Steps To Safety

1. Get a Kit
2. Make a Plan
3. STAY INFORMED

3

Step 1. Get a Kit

EMERGENCY SUPPLIES FOR THE HOME

- Three day supply of canned, non-perishable, ready-to-eat FOOD
- Non-electric can opener
- Three day supply of WATER (a total of three gallons per family member)
- Battery-operated RADIO and extra batteries
- FLASHLIGHT and extra batteries
- One week supply prescription MEDICATIONS
- FIRST AID KIT
- Personal TOILETRIES
- INFANT care items
- Items for ELDERLY family members. For more info, see www.ready.gov/seniors
- Items for relatives with DISABILITIES
- CASH or TRAVELERS CHECKS
- Store important DOCUMENTS in a waterproof, safe location
- Keep your vehicle's gas level at a minimum of half-a-tank.
- Every family member must carry CONTACT INFORMATION including phone numbers at work, school, etc. for every family member
- The name and number of a relative who lives out-of-state, to call in case your family gets separated.
- Whistle to signal for help
- Dust masks
- Moist towelettes
- Pliers to turn off utilities

For further advice, read "Your Family Disaster Supply Kit," available from the American Red Cross, and emergency supply list from FEMA. At www.redcross.org/prepare, and www.fema.gov/pdf/library/pfd.pdf

Step 2. Make a Plan

PLAN FOR YOURSELF, YOUR FAMILY, YOUR BUSINESS

First, follow the easy-to-use instructions in "Your Family Emergency Plan," available from the American Red Cross. www.redcross.org/prepare

If you have Special Needs:

For more information for people with disabilities, older adults, caregivers and people with access and functional needs, register with your County OEM. Let them know of the assistance you might need during an evacuation or other emergency.

If you Do Not Own a Car or Cannot Drive:

Ask your County OEM or local Police Department for details on the evacuation plans for transit-dependent individuals. Make plans with a neighbor who does drive.

If you have Pets:

Disaster shelters do not generally accept pets. To prepare for your pet, go to www.ready.gov/caring-animals

If you want to do more: Learn what it means when Public Safety Officials order you to:

Shelter at Home <http://www.state.nj.us/njoem/plan/prot-act-shelter.html>

Evacuate <http://www.state.nj.us/njoem/plan/prot-act-evacuation.html>

Take Health-Related Actions <http://www.state.nj.us/njoem/plan/prot-act-health-actions.html>

Step 3. Stay Informed

STAY INFORMED OF POSSIBLE THREATS AND NEW INFORMATION

It is important to know about the risks that may happen in your community, and to know whether an emergency is imminent or is already taking place.

- Contact your local OEM or American Red Cross Chapter. Ask which Types of Emergency are most likely in your area and how to prepare for each. <http://www.state.nj.us/njoem/plan/threats-emergencies.html>
- Learn about the warning methods that will be used in your community. (i.e. text, twitter, facebook, websites, reverse 911) and sign up for as many as your technology supports at <http://www.marlboro-nj.gov/> or <http://www.marlboropd.org/>
- Learn about the local radio and TV stations you should tune into for emergency alerts and official instructions.
- Learn about the disaster plans for your workplace, your children's school or Day Care, place of worship, etc.

Keep track of Current Weather Forecasts and Alerts with:

Local radio or TV stations
