Swim Camp

The Marlboro Swim Club Day Camp is a 7-week program that runs Monday through Friday from 11:00 am to 4:00pm. Campers must be between the ages of 4 and 9 years old. Daily activities include recreational pool time, playground, sports, arts and crafts, music and dance, theme days, and more! There are new special events this year that will be brought in around 4 to 5 times during the camp season. These special events include slides, magicians, petting zoos, and other special guests. Parents will receive a calendar of events and reminders of these events so that no camper will miss out on the fun.

Our Swim Camp club is held solely on the ground of the swim club and is staffed with adult supervisors, counselors, and an on-site EMT. Each grade level has a supervisor and counselor staffing depends on the camp group size and ages. For our younger campers, ratio is around one counselor to every 4-6 campers. For our older campers, ratio is around one counselor to every 7-10 campers.

NEW! This year we will be offering a Before Camp program from 9:00 AM to 11:00 AM. This program will include a variety of activities to keep campers engaged and active. Our Assistant Day Camp Director, and our counselors will oversee the before care program. The program will be first come first serve and will be capped at a certain capacity. This program will follow our 7-week day camp program.

Sports Camp

For campers ages 8-12 we offer a camp with a complete emphasis on sports and swimming. This camp is held within the swim club facility but also utilizes the facilities adjacent to the swim club. We have access to basketball courts, tennis courts, wall ball courts, soccer fields, and baseball fields.

During this 7-week program campers will learn and develop a variety of motor skills that can help improve their game. Our supervisors and counselors create schedules that incorporate ample time to work on individual skills, team building, and overall game knowledge. Once campers acquire an understanding of these aspects they will move on to more competitive games. Throughout the camp season there will be various individual and team awards given to our campers who are improving, working hard, and showing good sportsmanship!

Last summer the Olympic Events were added to our camp program. For one week the sports camp will compete in teams to see who will be the Olympic Champions. In their groups they will create team banners, show their spirit, and compete in a various field events and games.

Campers will follow schedules throughout the day and will have allotted times for lunch, recreational games, and swimming. These campers will also be able to attend the same events that our swim club campers do.

Special Needs

Is your child classified by the Marlboro Township Board of Education? If so please contact us at 732-617-9600 to discuss the needs of your child prior to registration.

Please note the ratio of staff members to campers. If your child requires more supervision than we can provide it may not be in your child's best interest to apply for a program that does not suit his or her needs. If more supervision is needed we request that you provide information concerning your child in writing to the Recreation Department prior to enrollment.

Failure to provide this information prior to enrollment may result in your child not being admitted to the program. This will be due to the fact that the Recreation Department has not been provided with an adequate opportunity to assess whether or not it can make reasonable accommodations for the specific needs of your child.

Activities Camp

For ages 8-12 we offer a camp with a shared emphasis. In activities camp our campers will engage in arts and crafts, jewelry making, scrapbooking, karaoke, music and dance.

These campers will also have the opportunity to swim, engage in sports, create scavenger hunts, and participate in other camp events. Our activities camp will play an important role in our End of Camp Show and will be a part of camp Color War.

A Note from the Day Camp Director

We are looking forward to a great summer here at the Marlboro Swim Club! Last year we made some changes and are looking to implement new ideas and events into our camps! If you secure a spot within our camps for this upcoming summer you will be receiving information periodically from me within the months leading up to camp as well as during the camp season. If you have any concerns or suggestions please feel free to email me at aboyce@marlboro-nj.gov.

Parent Notifications

For any information regarding closures of camp, parents will be notified via *Community Pass*.

If you are not receiving Community Pass notifications please check that your email is correct. Should this not suffice please contact the Day Camp Director and you will be added to a specific email list.

Parents receive Community Pass messages when there are delayed openings or camp closings.

Delayed Openings

If morning weather conditions are rainy but indications exist that it may clear after mid-morning we will have a delayed opening and begin camp at 1pm. If the rain does not clear camp will not be held. You will be notified via Community Pass or email.

Camp Closing

To ensure the safety of your child, if a steady rain or thunderstorm begins when camp is in session we will take the campers inside our pavilion or bathhouses. Depending on the severity of the rain and overall weather conditions camp may be closed for the day. If camp is closed for the day parents are responsible for picking up their child from the facility.

Please be aware of the weather and in the area should there be inclement weather.
