VACCINATION

New Jersey State Registration: Register with the Register with the NJ State Registration System (NJVSS) and you will be notified when appointments are available in the NJVSS <https://covidvaccine.nj.gov/>

The New Jersey Department of Health will send you an invitation to schedule your appointment at your email address when more appointment slots open up. This site does not automatically sign you up for a vaccination appointment.

Designated Vaccination Sites: You may make an appointment directly with one of the many designated vaccination sites across the state. To view a list of these designated vaccination sites click <https://covid19.nj.gov/pages/covid-19-vaccine-locations-for-eligible-recipients>

Monmouth County: Please note that due to high demand, sites on this list may be fully booked at this time. See [HERE](#) for a list of vaccination sites in Monmouth County as well as other county vaccination information. The County COVID information hotline is 732-845-2070.

Marlboro Township Assistance: Marlboro Township has partnered with legislative officials and local healthcare systems to help facilitate vaccination for those residents who are 65 and over. Basic information is required. See details and process [HERE](#)

Healthcare Facilities: Select healthcare facilities, including many hospitals, are offering vaccines directly to their workers. If you work at one of these facilities, you may contact your employer to learn if the vaccine is available to you from your employer.

Veterans: If you are a Veteran or live or work at a VA facility, you may be eligible for vaccines through the VA. Click <https://www.va.gov/health-care/covid-19-vaccine/> to learn more.

No Access to Internet: A NJ Toll-Free Help Line is available for those without internet access. The call center will have an interactive voice response platform in both English and Spanish that provides key information to New Jersey residents on how to register for a vaccine, as well as how to schedule vaccination appointments as people become eligible. **Call 855-568-0545** to make an appointment for a coronavirus vaccine or if you have trouble securing a second appointment.

TESTING

New Jersey State Testing information: [HERE](#)

Monmouth County Testing information: [HERE](#)

Marlboro Township Testing information: There is a testing center located in the Recreation Center Parking lot, the testing truck is open to residents and teachers/staff of the Marlboro K-8 and High School. Pre-register using the QR code or the online form. The test is drive up, no appointments are taken and there are no out of pocket costs. **See the [FLYER](#) here for dates/times, FAQ and registration information.**

HOW TO HELP

Healthcare Professionals: New Jersey needs help from qualified health, mental health, and related professionals to supplement our health care capacity on a temporary basis: covid19.nj.gov/volunteer

Nurses for Monmouth County - who are willing to volunteer, can call the County COVID-19 hotline at 732-845-2070 or email monmouthcovid19@visitmonmouth.com

Medical Volunteers: Governor Murphy executive order temporarily reactivates licenses of recently retired health care professionals, waives certain practice requirements and makes clear that the health care professionals helping in the COVID-19 response will be immune from civil liability for actions taken in good faith. Over 5,000 health care professionals have stepped forward. If qualified and want to volunteer, visit covid19.nj.gov/volunteer

Technology Professionals: New Jersey welcomes offers of assistance from technology professionals and firms looking to help in the fight against COVID-19: forms.business.nj.gov/tech/

Community Volunteers: New Jersey service providers require help from volunteers. Sign up to connect to volunteer opportunities in your community: helpnjnow.communityos.org/

County Foodbank Donations - Fulfill: <https://fulfillnj.org/>.

Marlboro Foodbank Donations: Marlboro Food Bank collection is underway. Touchless collection containers for non-perishable food are located in the vestibule of Town Hall 24/7 and the recreation center from Monday-Friday 9am-4pm. Items most in need see [HERE](#)

COVID-19 Plasma Donation: If you were diagnosed with Covid-19 and are more than 28 days past COVID-19 symptoms you may be able to donate your plasma. Please review the criteria and donation information [HERE](#).

Blood Donations: Governor Phil Murphy and Superintendent of State Police Colonel Patrick Callahan announced that blood donation drives can continue in order to meet the critical medical needs. Blood drives have appropriate mitigation to prevent the spread of COVID-19, including social distancing where practicable. If you are in good health and feeling well, please contact New Jersey Blood Services, or the American Red Cross and make an appointment to give. More <https://covid19.nj.gov/search.html?query=donate+blood>

Personal Protection Equipment (PPE) State Donations: Residents who wish to donate personal protection equipment (PPE) should visit <https://covid19.nj.gov/ppereport>

Monmouth County Donations of PPE: Accepted at Thompson Park, 805 Newman Springs Road, in Lincroft from 9 a.m. until 4 p.m. on Monday through Friday. **For additional information, or to arrange the drop-off** of personal protective equipment, please call 732-842-4000, ext. 4312. The phone number is staffed every day, including weekends. Please see the items needed and additional Monmouth County information [HERE](#).

Note: Businesses and non-hospital health care facilities in possession of PPE not required for the provision of critical health care services, were required to submit their inventory to the State by yesterday at 5pm. If you have not done so go to, covid19.nj.gov/ppereport
